**INFORMATION!**

Both are equally comfortable, you can check them out [here](#)  
Allotment of rooms will happen strictly on a first cum first serve basis on completed registrations (Payment+Form)

So, also ensure that your choice of roommate registers as soon as you do - else, you may find yourself paired with someone who has faster fingers 😊

- 3) The property is a forest lodge amidst nature - the food is regional, hygienic, and tasty - do not expect a large, fancy spread!

- 5) We will not encourage virgins for this event as it is subsidised by H4. However, if there are slots left, we may look at accommodating them at an appropriate cost which we will arrive at later.
- 6) Beer will flow at the circle and at the evening party but feel free to carry your own hard liquor and mixers as you please (we are paying a hefty liquor license fee, might as well make the most of it!)
- 7) Rego amount remains the same even if you choose to make your own travel arrangements to Durshet and back.
- 8) While the train fare 'offer' is only for H4 hashers, you can choose to travel with us in the hash train by paying the fare! Choose this option on the form
